COMING NEXT VOLUME...

The only team member left standing, Kid Muscle has to take down Generation IX all by his lonesome—which, needless to say, makes him one unhappy wrestler. And his chances of victory plummet even further when he faces Hydrus in a floating wrestling ring in Japan's biggest water park. It's not that the Kid is intimidated by Hydrus's flawless fighting skills and deadly Versabreaker (although he is). It's just that he never learned how to swim....

ULTIMATE MUSCLE

THE BLOODHOUND LEGACY

Thanks to the Muscle League, peace has returned to Earth... but for how long? Vance McMahon, chairman of the Justice Federation, believes that eternal vigilance is the price of liberty. But Kid Muscle and his friends believe in kicking back and partying. Betrayed by their lax attitudes, McMahon has sent four new Hercules Factory prototypes, a group known as Generation Ex, to challenge the "Super Slackers."

Now Kid Muscle, Terry Karpov, Dik Dik Van Dik and Wally Turbot are facing off against newcomers Jaeger, Hydroses, Scarface and Road Rage. Only one team will be allowed to remain on Earth to defend humanity. The losers will be kicked off the planet... forever!
